CENTURY® is a registered trademark of Century Furniture, LLC
Introduction
Omni is bold, sophisticated, powerful design crafted from an array of stunning raw materials. Its primary adornment comes from the rich, dappled character or highly figured veneers and the play of light on flat planes and curved surfaces. The collection features Avodire, Anegre, Eucalyptus, Cluster Maple and Ebonized Hardwood veneers along with metal, marble and mirrored accents.

Century Furniture was founded in 1947 by Harley F. Shuford.

Now in the third generation of family ownership and operation, Century remains as one of the largest domestic family owned furniture manufacturers operating in Hickory, NC. Century is committed to their founder’s ideal, to create furniture of such impeccable quality that it brings joy not only to the people who own it, but also to the craftspeople who build it. Today each Century employee is a shareholder in the company and their commitment and dedication can be seen in every piece of furniture that carries the Century name...

From the frame construction, to the hand-application of your choice of finish and distressing, to the sewing and application of the fabric or leather, each piece of Century Furniture passes through the hands of some of the most experienced artisans and craftsmen in the industry. No detail is overlooked, and every measure is taken to insure that each piece of Century Furniture you purchase will be...

Something you treasure for all time.
