METROPOLITAN

Designed for indoor and outdoor use, Metropolitan pays homage to the cosmopolitan mystique and allure of major cities around the world. Sized a bit smaller to fit cozier living spaces, this elegant collection of upholstered sectional seating and complementary occasional and dining tables is perfect for roof decks, penthouse apartments, condos, lofts and new-century modern architecture.

This collection features bold, clean architectural lines. It is crafted in plantation-grown, marine-grade finished teak available in three finishes. Accented with fully upholstered panels and striking nickel-plated detail, it creates a look that is contemporary yet classic, evoking the spirit and energy of metropolitan living.
